Re: Final Approval of the Baseline Ecological Risk Assessment Addendum and Feasibility Study for the Route 561 Dump Site, Gibbsboro, New Jersey.

Dear Mr. Stroebel:

The U.S. Environmental Protection Agency (EPA) has received and reviewed the June 27, 2016 submissions Route 561 Dump Site - Revised Baseline Ecological Risk Assessment Addendum and Route 561 Dump Site - Revised Appendix A of Feasibility Study and Corrected Pages for the Feasibility Study.

EPA approves both of these documents as submitted and considers the Baseline Ecological Risk Assessment and the Feasibility Study to be completed for the Route 561 Dump Site.

If you have any questions, please contact me at 212-637-4414 or at gelblat.renee@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Renee Gelblat", is written over a horizontal line.

Renee Gelblat, Remedial Project Manager
New Jersey Remediation Branch
